

NC Medicaid Long Term Services and Support

Initial Consumer Direction Training

2025

NC DEPARTMENT OF
**HEALTH AND
HUMAN SERVICES**
Division of Health Benefits

Mandatory Consumer Direction Training

The Community Alternatives Program for Children and Disabled Adults (CAP/C and CAP/DA) is a program that helps NC Medicaid beneficiaries to get care to meet their needs. This enables them to stay in their home and in the community.

- This program is known as CAP.
- People who use CAP are called CAP participants.

Consumer direction services is offered by CAP. It lets CAP participants take control of their care.

- **To use consumer directed services training is required. The CAP participant or primary caregiver and their designated EOR must attend:**
 - An initial training when first enrolling in CD.
 - A yearly refresher training.

Flow of the Training

1. How to participate in the training
2. Teaching objectives
3. Consumer Direction in the CAP waivers
4. Questions & Answers
5. Break
6. Required Consumer Direction Forms
7. Questions & Answers
8. Training Ends

How to Participate In The Training

During the presentation:

- Your cameras and microphones will be in the off position.
- A presenter will talk about consumer direction.
- You can type in a question at anytime in the Q&A or chat box during the training. Those questions will be read out loud during the Q & A open session.

During the Q & A open session:

- Your microphones will be turned on so you can ask questions. Someone will call your name when it is time for you to ask your question.

Teaching Objectives

This training will teach:

1. What consumer direction is.
2. How to be successful with consumer direction.
3. Who is part of consumer direction.
4. What an Employer of Record (EOR) is and does.
5. What services you can direct through consumer direction.
6. How to enroll in consumer direction.
7. What Medicaid fraud, waste, and abuse are.
8. What documents are needed for consumer direction.

What is Consumer Direction?

Consumer direction is a way to get personal care services or attendant nurse care (ANC) through CAP.

- It puts you in the driver's seat in planning and using your services.
- It lets you call the shots on:
 - Who to hire,
 - How much to pay within the Medicaid approved rates, and
 - What the employee can do.
- **It is also known as:**
 - The consumer-directed model of care
 - Consumer-directed
 - Consumer led
 - Choice
 - CD

Who Can Enroll in Consumer Direction

Anyone

- **CD is available to all CAP participants who:**

1. Say they want to be in charge of their care.
2. Understand their rights and are ok with the responsibilities of directing their care.
3. Can and want to hire and manage employees.
4. Are willing and have the time commitment to direct care.

Basic Requirements of Consumer Direction

- Must have an EOR to write plans, supervise workers and sign timesheets.
- Must work with a care advisor to keep them updated of your progress and any changes.
- Must meet with the care advisor every month to talk about how consumer direction is working.
- Must attend mandatory monthly and quarterly meetings.
- Must keep GTI, Acumen, or Secure Direction aware of changes in workers and worker's hours.
- Must review and understand your consumer direction budget.
- Must know what fraud, waste, and abuse is and report it if it happens.

What is Good About Directing Care?

Consumer direction gives CAP participants:

– Choice & Control

- In hiring people who you trust.
- In paying your worker an amount you want (within the approved Medicaid rate).
- In telling your workers how to care for you.

– In-person help when you have questions

- By calling your care advisor.
- By calling the person who helps you create the budget.
- By joining participant engagement sessions such as the Front Porch Chats at NCLIFTSS.

– Business support by

- Paying worker(s).
- Building a budget.
- Setting up your consumer direction business (Employer Identification Number or EIN).

How to be Successful in Consumer Direction

1. Know Strengths and Needs

- Understand what you do well and where you need help.

2. Stick to The Budget

- Use your approved money the right way.

3. Hiring the Right Person

- Choose the right person and make sure they follow the rules.

4. Talk to The Team

- Set time each month to talk with:
 - Your care advisor,
 - The person who helps with your budget, and
 - All team members who help with the participant's care.

5. Talk to Workers

- Set time aside to talk with your workers to make sure they know your needs.

6. Plan for Care

- Know and understand the participant's care needs and putting the care needs on the task list that the workers do.

7. Stay Safe and Healthy

- Watch for Medicaid money being used the wrong way.
- Report health changes, injuries, and unexpected things to your CAP care advisor and GTI, Acumen, or Secure Direction.

How to be Successful in Consumer Direction

Knowing and using Consumer Direction's Key Helpers.

Key Helpers:

1. Employer of Record (EOR).
2. The Case Management Entity (CME).
3. GTI, Acumen, or Secure Direction (FMA).
4. Employees.

Role of NC Medicaid and NCLIFTSS

NC Medicaid:

- Sets the rules for CD. These are based on state and federal rules for CAP consumer direction.
- Makes sure that CAP participants can get training in consumer direction.
- Makes sure there is a grievance process for CAP participants to share concerns and get help with consumer direction.

NC LIFTSS:

- Hosts trainings on CAP consumer direction.
- Answers questions and help with any concerns.

Key Helper - Employer of Record

- **What is an EOR?**
 - Decision maker or Shot Caller.
 - Important person for consumer direction to keep the wheels turning.
- **Why is an EOR needed?**
 - It is required to set up your CD business, so you get to pick this important person. They run the consumer direction business.
- **Who can be an EOR?**
 - The CAP participant.
 - A Legally Responsible Person (LRP).
 - A Family member.
 - A person who is not related to the CAP participant.
- **Does an EOR need to live with me or in my state?**
 - No, they can live anywhere, but they will need to know you well enough to make decisions for you and manage hired staff.
- **Does the EOR get paid?**
 - No, the EOR does not get paid.

What Does The EOR Do?

EOR Responsibility Overview:

- **Find employees.**
 - Example task: Interview people who apply for the job and fill out the competency validation form.
- **Manage employees.**
 - Example task: Approve time sheets.
- **Lead the care planning.**
 - Example task: Create a backup care plan.
- **Keep up communication.**
 - Example task: Schedule a monthly meeting to talk with your care advisor.
- **Take part in the required trainings.**
 - Example task: Complete the yearly refresher training.

Key Helper - Case Management Entity

A Case Management Entity (CME) is an organization that supports CAP participants:

- They provide a care advisor or case manager who is available to:
 - Give information on CAP consumer direction.
 - Answer questions.
 - Provide support and suggestions as needed.
 - Check if the participant is ready to manage their own care.
 - Create the plan of care.
 - Make a referral to GTI, Acumen, or Secure Direction and keep them updated of changing needs.
 - Check in on the CAP participant's health monthly.

Key Helper – Financial Management Agency

GTI, Acumen, or Secure Direction are Financial Management Agencies (FMAs). An FMA helps support budgeting and some employment tasks.

- **They help:**

- Pay workers and check their backgrounds.
- Send papers to the Internal Revenue Services (IRS) and Department of Labor (DOL) for the EOR.
- Make the budget from the Plan of Care (POC) and let you know when you go over it.
- Give training and help when needed.

Key Helper - Employee

An employee is someone you hire to perform caregiver tasks for you.

– They help with:

- Everyday tasks like bathing, dressing, and eating (Activities of Daily Living or ADLs).
- Other important tasks like using the phone and doing laundry (Instrumental Activities of Daily Living or IADLs).
- Special medical needs.
- Some light home maintenance tasks.

– Submit timesheets and task sheets for approval.

– Follow the Plan of Care and task list.

– Stay aware of changing needs.

Other names for an Employee:

- Direct Care Worker
- Personal Assistant
- Worker
- Staff

Key Helper - Employee

How can I be a paid caregiver?

- Through a Home Healthcare agency as an employee.
- Through coordinated caregiving as a live-in caregiver.
- Through CD as an employee.

A Legally Responsible Person (LRP) must:

- Meet job requirements.
- Have at least 1 of 5 extraordinary conditions.

Key Helper – Employee

An LRP is the person who can sign contracts for the CAP participant.

An LRP could be:

- A Parent for children under 18.
- A Legally appointed guardian.
- A Healthcare Power of Attorney.

For an LRP to be a paid caregiver:

- They must meet the hiring requirements.
- They must meet at least 1 of the 5 extraordinary conditions.
- They can be paid for a maximum of up to 40 hours per week.
- They cannot provide respite services or be the EOR.

Key Helper – Employee

Meeting the Extraordinary Conditions as an LRP:

The CAP participant needs a high level of help with daily activities including bathing, dressing, toileting, and eating. To meet the extraordinary conditions at least one of the following must also be met and documented:

1. There are not enough trained providers. Local agencies do not have CNAs available.
2. A medical condition or care issue requires 90 days or less of isolation. The participant wants to isolate at home.
3. A doctor ordered 24-hour care because of the participant's primary condition. The LRP is not able to keep a job or has been fired because they are needed to help with care.
4. The participant has special health care needs. It is documented in medical files that the LRP must give the care.
5. Other serious conditions could put the participant's health or safety at risk. This could lead to a move to a hospital or nursing home.

Key Tasks of the EOR – Finding Employees

Finding Employees:

- Create a job description.
- Set a rate of pay.
- Interview applicants.
- Verify applicant skills sets.
- Check references.

Key Tasks of the EOR – Finding Employees

Hiring an employee:

– An employee must:

- Be 18 years of age or older.
- Meet the IRS requirements for employment.
- Be CPR certified, as applicable.
- Have an RN/LPN license when applicable.
- Pass a criminal and registry background check.

– They cannot:

- Have convictions listed on the criminal history ban list or the health care registry.

Key Tasks of the EOR – Finding Employees

Checking Employees after a background check

- **Criminal History that can prevent hiring:**
 - **Felonies related to:**
 - Making, selling or giving out drugs.
 - Abuse, neglect, assault, battery, criminal sexual conduct (1st, 2nd, 3rd degree), fraud/theft against minor or vulnerable adult.
 - Health care fraud.
 - More than 1 felony conviction.
 - **Felony or Misdemeanor related to:**
 - Patient abuse.
 - Involving cruelty or torture.
 - **Misdemeanors related to:**
 - Healthcare fraud.
 - Abuse, neglect, or exploitation of a minor or disabled adult.
 - **Verified Reports related to:**
 - Being listed with the NC Health Care Registry for abuse, neglect or exploitation. This means they cannot work in the health care field in the state of NC.

Key Tasks of the EOR – Managing Employees

Managing Employees:

- Set and manage employee's schedules.
 - Make sure that employees work within the approved budgeted hours.
- Keep a record of tasks completed and hours worked.
- Approve timesheets.
- Look into payroll issues.
- Complete employee performance reviews.
 - Make sure CPR certification is renewed on time.*
- Fire employees if needed.

* There is a 90-day grace period if CPR certification expires.

* Not needed if there is a documented Do Not Resuscitate (DNR) order.

Key Tasks of the EOR – Planning Care

Planning for Care needs of the CAP Participant

- **Lead the creation of:**
 - A person-centered Plan of Care (POC).
 - A backup and emergency plan for when:
 - Staff or the main caregiver can't be there or there's a scheduling problem.
 - There's an event like a hurricane or snowstorm.
 - An Attendant Nurse Care (ANC) skilled care plan.
- **Sign and follow the Beneficiary Rights and Responsibilities Form.**

Key Tasks of the EOR - Communicating

Real-time Communication

- **Stay in contact with all key players by:**
 - Meeting with the employee(s) each day they work.
 - Being part of the monthly and quarterly meetings.
 - These are about how CD is working for the CAP participant and employees.
 - Making changes quickly and telling all key players about changes.
 - Examples: changes to pay or budget and firing an employee.

Key Tasks of the EOR - Communicating

Real-time Communication

- **Voicing concerns, injuries, and risks:**
 - The CME must be told about all health, safety and well-being (HSW) concerns.
 - These are problems that can end with the participant being harmed. Some may be events that have happened like a fall.
 - A CAP participant may accept risks when a concern is raised.
 - When this happens, the CME must be told so that they can help make an individual risk agreement (IRA).

Key Tasks of the EOR – Correctly Using Medicaid Money

Making sure NC Medicaid Money is used correctly.

Misusing Medicaid money is seen as fraud, waste and abuse.

- What is fraud?**

- Giving false info to Medicaid to pay for medical care or services on purpose.

- What is waste?**

- Using Medicaid resources in a careless or ineffective way. This harms the state's finances.
Waste can be done on purpose or by accident.

- What is Medicaid abuse?**

- Using Medicaid resources in a way that is against rules of use.

Key Tasks of the EOR - Correctly Using Medicaid Money

Overseeing Medicaid Money to ensure the right payment and use.

Examples of fraud, waste, and abuse:

1. A worker writes hours on a timesheet that they did not work and the EOR approves it.
2. A worker provides services that are not on the POC, care plan, or approved by the EOR.
3. The EOR has not done or looked over the competency validation form with a worker but hires them anyway.

Key Tasks of the EOR - Correctly Using Medicaid Money

Reporting Misuse of Medicaid Money

Suspected fraud, waste, and abuse must be reported immediately to:

Self-Assessment Questionnaire/Training Completion Signature Page

My signature indicates that I have participated in a consumer-direction orientation session and completed the self-assessment questionnaire. I will follow the recommendations presented to me that may include: additional training, re-completion of the self-assessment questionnaire, and requests of other items that are needed to move forward in consumer-direction enrollment. I understand that compliance with NC Medicaid, case management entity, and financial management agency requirements is necessary for continued participation in the consumer-direction model of care. Failure to comply with consumer-direction requirements will result in my removal from the consumer-direction model of care and I will receive CAP services in the traditional provider managed model of care.

Enrollment Documents – Task List

The Task List is a list of what you need your workers to do each time they work.

- The task list is:
 - Made during initial enrollment.
 - Updated annually and when the participant's care needs change.
 - Used every time an employee works with the participant.
- Explains the services that an employee will do.
 - Tells what tasks and care are needed.
 - Is easy to follow and complete.
 - Includes the time each task will take.
- Must address (health) care needs as outlined in the comprehensive independent assessment.

Enrollment Documents – Skill Validation

The Employee Competency Validation is used to make sure an employee has the skills needed to provide your care.

- The employee competency validation is:
 - Completed during hiring.
 - Updated annually.
 - Based on the task list.
- Must be completed for all employees before they can work.
- Is used to see if a person can do the caregiving job.
- Asks about experience with needed tasks.
- Asks about training needs.
- Check-in with employees regularly as needs change.
